PURE BRED POULTRY.

From the Converse correspondence f the Plattsburg Jeffersonian : Jos. Meloan and family of Ray county were visiting relatives in our commu ity last week, and on Sunday while at his sister's, Mrs. Brown's, a little boy of his was kicked by a young colt, dlow died on Wednesday morning. orpse. The family have our sympaby in their trouble as well as that of be entire community.

The immigrant who comes with ettles down to agriculture or any of ie mechanical arts, adds to the wealth of the country and also adds to its law abiding citizens; but the cheap laborer

State thus assert, in practice, the right gives from \$100 to \$5,000 in free lines for the benefit of the community in which it is located. No other agency can or will do this. The local editor in proportion to his means, does more for his town than any other ten men, and in all fairness, man to man, he ought to be supported, not because you happen to like him or admire his writting, but because a local newspaper is the best investment that a community can make. It may not be brilliant, nor crowded with great thought, but financially it more of a benefit to a community than a teacher or a preacher.

State thus assert, in practice, the right to nullify state laws that are not antage on the fitted were fishing, and some of his friends were fishing, and while two of the party went to look after the trot line, Mr. Furney sat down on a log close to the creek, withting, awaiting their return. When they returned they discovered Mr. Furney's hat floating on the water and shortly after found his body sunk near the bank. Mr. Furney was subject to heart disease and it was thought he was thus attacked and fell in the water and shortly after found his body sunk near the bank. Mr. Furney was subject to heart disease and it was thought he was thus attacked and fell in the water and shortly after found his body sunk near the bank. Mr. Furney was subject to heart disease and it was thought he was thus attacked and fell in the water and drowned. He was 7 years old and leaves a wife and child. He will be buried to-day at Mt. Carmel.—Carrolliton Journal.

connected with the system of special cubic feet per diem. These wells are rates, rebates and personal discrimation. It is the ovil results gowing their out of these, that creates the demand for state regulation of railroads. And it is to remedy these evils that state regulation should be mainly directed.

Dranken men were on our streets saturday, much to the annoyance of those will whom they came in conflict. A long suffering, tax-paying press, by the frost hand of the law, any and all who date to sell liquor in violation of law. Is it possible that the people of this town are powerless to the themselves, by law, of this great incubacy? We irrus to the claim of the old themselves, law, the arm of the old red brether old craftsman of various trades and handwork. There were goldsmiths, to the courtesy of chiefly only the story. Stop the sale of liquors legally.

success. Borings have failed at Richmond, Shelbyville, Fort Wayne, Union oney to invest in a house and who pleted there is no means of knowing outside the area already indicated.

abiding citizens; but the cheap laborer who is ready to take the place of striking or dissatisfied labor, speedily learns to interpret the freedom of our free land licence to take anybodys property at will, and knock down and drag out class of immigrants, as a rule, initiate the lindian in readily sequiring the lades of immigrants, as a rule, initiate the lindian in readily sequiring the linding repugnance to its virtues.

If the late Judge David Davis never run a country paper he certainly was a very close observer. His estimate of the local paper was expressed as follows: Each year every local paper was expressed as for the local Understand us, now, we do not mean morally or intellectually, but financially, and yet on the moral question you will find the majority of the local papers on the right side. To-day the editors of the local papers do the work for the least money of any men on earth.

Patient—What do you charge for pulling a tooln? Dentist—Five dolars. Patient—Can I pay for it on the installment plan, at 25 cents a weak? Dentist—Can I pay for it on the installment plan, at 25 cents a weak? Dentist—Can I pay for it on the installment plan, at 25 cents a weak? Dentist—Certainity; get into the chair and I will pull the tools 25 cents worth and or work and I will pull the tools 25 cents worth and you can pay the first installment. Ceme in again next week and I will place the second installment to one of the contract of the c nderstand us, now; we do not mean ionally give vent to a vigorous protest.

St. Nicholas: If any one were to Early last fall a boring was drilled walk one way through all the streets at Portland, near the Ohio line and of London, he would be obliged to go The saloon keepers of Chillicothe make the demand through the columns of the Evening Star that drug stores be prohibited from retailing whisky during the week days. The article goes on to say that the saloonist do not object to the druggists carrying on the business on Sundays and holidays, but having paid high license they want to do the business during the week.
